Policy Statement:

Supervision is a formal and recorded process through which the professional actions of staff are examined and regularly reviewed. It provides a recorded system of decision making that is audited to improve practice and to improve the service that is provided to children and parents.

Supervision acts as a means for ensuring that members of staff have access to the support, training and procedures they require for professional growth and development. It enables supervisors and supervisees to examine and reflect on the quality of their practice and to facilitate discussion. Supervision meetings provide opportunities for staff to:

- discuss any issues – particularly concerning children’s development and well-being
- identify solutions to address issues as they arise; and
- receive coaching to improve their personal effectiveness

At Hull Collegiate School all practitioners who work directly with children and families within the EYFS are supervised by their designated line manager. Supervision meetings are held regularly for each staff member and, where possible, at least once a term. Supervision meetings are conducted in line with existing procedures and are held in a confidential space suitable for the task.

Supervision agreements are drawn up for all staff. Each member of staff has a supervision file which holds a copy of the supervision agreement and their supervision record form (this may be electronic). All aspects of supervision must ultimately focus on promoting the interests of children.

All supervision meetings include discussions concerning the development and well-being of the supervisee’s key children. Where concerns are raised, the supervisor and supervisee seek to identify solutions and identify further actions that need to be taken – these are recorded on the child’s file and may include support from external agencies.

During supervision meetings staff are reminded of the need to disclose any convictions, cautions, court orders, reprimands and warnings relating to themselves (or anyone in their household) which may affect their suitability to work with children that have occurred during their employment with the setting. Staff are also able to discuss any concerns they have regarding inappropriate behaviour displayed by colleagues. Any new information is referred immediately to Mrs Antje Kell, the EYFS Designated Safeguarding Lead, or in her absence to Mr Chris Wainman, the Senior School Designated Safeguarding Lead or Mrs Katherine Bloomfield Deputy Designated Safeguarding Lead.

Hull Collegiate School – Foundation Stage Supervision Agreement

Agenda and Structure

Preparation work will have been completed by both the supervisor and supervisee and where possible an agenda set before the supervision session. Set agenda items will be discussed and reviewed at every session. Additional agenda items will be prioritised at the beginning of the session by both parties to ensure the most effective use of time. Each session should long enough to cover all items on the agenda. In the event of serious disagreement or concern a session may be extended or reconvened at a mutually convenient time.

Record keeping and confidentiality

All supervision sessions will be recorded including areas covered, discussion points, agreed action plans, timescales and who is responsible for each action. Copies of the record will be available to both the supervisor and supervisee and access permitted in the following situations: Auditing, Appraisal, Grievance, Disciplinary, Safeguarding and Complaints.

Cancellations

In the event that a scheduled supervision session needs to be cancelled, it will be re scheduled at the point of cancelation. It is the responsibility of both the Supervisor and the Supervisee to ensure that the new session is carried out as soon as is conveniently possible.

Disagreements

Areas of disagreements between the Supervisor and Supervisees will be recorded on the supervision records. Areas of disagreements that cannot be resolved may be referred to the Head of the Prep or Senior School, PLT/CLT, Business Manager or LGB members.

Review of supervision

The supervision process including, content, length, frequency, format and record templates should be reviewed by all participants within the supervision process at least annually.

Agreement

We agree that supervision will be given and received in accordance with Hull Collegiate School Foundation Stage Staff Supervision Policy wherein more details regarding supervision can be located.
