- A.** View important announcements and messages.
- B.** Look through resources made readily available to students (ongoing population).
- C.** Check the school calendar for trips, events and other important dates.
- D.** View the HCS twitter feed.
- E.** Update your address and contact details.
- F.** View your child's profile (see next page).

Viewing your child's profile

1. Select your child from the link at the side or from the drop down menu at the top.

Easily access relevant information about your child's learning and school life, such as their timetable and the homework they've been set.

You must be logged in and on the dashboard to see the links to your child or children.

You can view key facts about their teachers, classes and see which lesson they currently taking.

2. View attendance & behaviour

Keep track of your child's attendance from the Parent Portal by viewing the colour coded attendance log.

Behaviour information is displayed on your child's profile and will also be colour coded according to your school's system. Look out for summary statements of awards and sanctions too.

3. View your child's reports

Choose the report you would like to see and select View Report. It will open electronically for you to view.
